**Personal Statement**-I love working with kids and their families. I have a teaching background and I always work to encourage every child to reach their own potential. My philosophy is to foster social and academic development in a cozy, fun, and safe home environment.

**Training, Certifications & Memberships-**

- Registered, State of Oregon, including on-site inspections
- Bachelor of Arts, Teacher Licensure, and Masters of Arts and Teaching
- Current & continuing training by Mt. Hood Community College Child Development & Family Support Program, including on-site observations
- Member of the International Reading Association, Slingerland Institute, and National Council of Teachers of Mathematics

**Curriculum**-Your child will enjoy their days full of music, stories, and art activities. Everyone's efforts are displayed and praised by their peers and teacher. Academic and multi-sensory based activities are available year-round to insure school readiness. *Every day is a new adventure in learning.*

**Statement of Experience**-I have been working professionally with children for more than 15 years. I specialize in Reading readiness for young learners. I have strong background in Mathematics and Music. Your child's social, emotional, and academic well-being is my number one priority.
